

Grievances

Any student or group of students who wish to express a school-related concern or grievance may request a meeting with the Principal who shall designate a time and place. One (1) faculty member of the student's choice may be present at the meeting.

If the Principal and Superintendent cannot successfully resolve grievances, the student may appeal to the Board. However, if the grievance concerns discipline of an individual student, the Board may, on a case-by-case basis, determine if it will hear the grievance based on whether the facts presented in the written grievance fall within its discretion or authority. If there is a question as to whether the grievance is within the Board's discretion or authority, the Board will consult with legal counsel.

PROCEDURES

Grievance procedures shall address, but not be limited to, the conditions for filing a grievance, time limitations for the filing and the appeal of a grievance, and a process for the orderly review and appeal of each individual grievance.

EXCEPTION

Federal law requires the District to implement separate and specific processes for responding to complaints/grievances about Title I programs and to those alleging discrimination in the delivery of benefits or services in the District's school nutrition program.
