Ms. Abby White  
Principal

Mrs. Casey Hall  
Counselor

To Whom It May Concern,

We understand that this is a very challenging time for our families. We appreciate your patience and your support as we try to provide the best educational experience for your student. We would like to remind you how important it is for you to encourage your student to complete their assignments on virtual days. If your student does not complete their assignments when they are not in-person, they become less prepared for the instruction that occurs on in-person days. Our teachers have strived to ensure that in-person and virtual instruction complement each other. Both in-person and virtual instruction are structured to assist students in mastering skills for their respected grade level.

As always, we appreciate your support.

Thank you,

Ms. Abby White

Principal, McBrayer Elementary
