Opening Business

A. Approval of Agenda

Agenda was read by the committee members. Deanna Roberts made a motion to approve the agenda. Vicki Anderson seconded the motion. All were in consensus.

B. Approval of minutes: Vicki Anderson made a motion to approve the minutes. Paula Meitzler seconded the motion. All were in consensus.

C. Good News Report: Librarian commented on how many students have checked out books this month. More than usual. More feathers for positive rewards have been handed out to the students IRM - Good feedback from the teachers AR is motivating the students to read. 1st grade had more points than other classes in the building

D. Public Comment: Pat Richmond presented the grant for the FRYSC. There are seven different components for the grant. After school child care is for referral. This is one of the biggest needs that FRYSC sees based on the needs assessment that is sent home. FRYSC audit went well - no non-compliances. Interviewed 8-9 teachers/parents Mrs. Murray signed the FRYSC agreement

Student Achievement

a. Assessing Student Achievement - Mrs. Murray shared the MAP comparison data for Novice reduction and Proficient and Distinguished growth. Mrs. Murray explained how the test changes from reading to the students to students reading in 2nd grade. Bridges Intervention groups have been put in place for fifth grade to increase math scores. Rodburn administers multiple tests to track student data. Next MAP will be March 16.

Mrs. Murray shared our Brigance data from the beginning of the year. The growth in Kindergarten has been substantial.
